8 SELF CERTIFICATION FOR TAX REPORTING PURPOSES

Please read these instructions before completing this section.

Regulations based on the OECD Common Reporting Standard ('CRS') require Ramsey Crookall to collect and report certain information about an account holder's tax residence. Each jurisdiction has its own rules for defining tax residence. In general, tax residence is the country in which you live. The country/countries in which you pay income tax are likely to be your country/countries of tax residence. For more information on tax residence, please consult your tax adviser or the information at the following link <http://www.oecd.org/tax/automatic-exchange/>

If your tax residence is located outside of the Isle of Man, we may be legally obliged to pass on the information in this form and other financial information with respect to your accounts to the Isle of Man Tax Office.

Ramsey Crookall are also required to report information on US persons under the Foreign Account Tax Compliance Act ('FATCA').

The information you provide us with will remain valid unless there is a change in circumstances relating to the account holder's tax status or other mandatory fields included on this form. You must notify us if there is a change in circumstances that makes this form incorrect or incomplete and provide an updated self-certification.

Please complete this form where you need to self-certify on behalf of an entity account holder.

If you are a 'US person' under US Internal Revenue Service ('IRS') regulations, you may also need to fill in an IRS W-9 form.

Where the Account Holder is a Passive NFE, or an Investment Entity located in a Non-Participating Jurisdiction managed by another Financial Institution

Please provide information on the natural person(s) who exercise control over the Account Holder (individuals referred to as 'Controlling Person(s)') by completing a 'Controlling Person tax residency self-certification form' for each controlling person (please contact us if you require this form). This information should be provided by all Investment Entities located in a Non- Participating Jurisdiction and managed by another Financial Institution.

If you are completing the form on the Account Holder's behalf, then you should indicate the capacity in which you have signed in Part 3. For example you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a signatory authority or power of attorney.

As a financial institution, we are not allowed to give tax advice. If you have any questions about completing this section, these instructions or defining your tax residency status, please speak to your tax advisor or domestic tax authority.
